## Registrations

Don't forget registrations close 20th December.

Many families have already registered and seats for the popular activities are filling fast. If you haven't already done so now is the time to complete your registration.

## Accommodation

There are a number of other re-unions and activities happening in the area over Easter 2012. Accommodation is limited so don't leave it too late to make your arrangements.

If anyone requires accommodation and is having trouble finding somewhere to stay then please let Barbara Lane know. A list will be compiled of private homes on offer and those interested will be contacted in due course.

If you know someone who has a spare bed & would like to rent it out for the weekend please contact Barbara.
